- ✓ Ongoing tasks
- ✓ 1st Project Meeting of the COMPASS project
- ✓ 2nd Project Meeting of the COMPASS project
- ✓ COMPASS goes social!

Analysis of existing LO schemes

The existing systems in partner countries were presented by the project partners at the 2nd project meeting. Some of the presented systems are referred bellow:

<http://cales.umontpellier.fr/index.html>

3 year EU-funded project,
started in September 2015,
under the Erasmus+ Programme

UNIVERSITÉ DE MONTPELLIER ACTUALITÉS UNIVERSITÉ FORMATION RECHERCHE INTERNATIONAL

PRÉSENTATION

L'Université de Montpellier propose des formations pluridisciplinaires dans des filières à caractère fortement professionnel s'articule autour de deux grands domaines de formation « Droit Économie Gestion » et « Sciences Techno » enseignements d'excellence en Licence, en Licence Professionnelle et en Master.

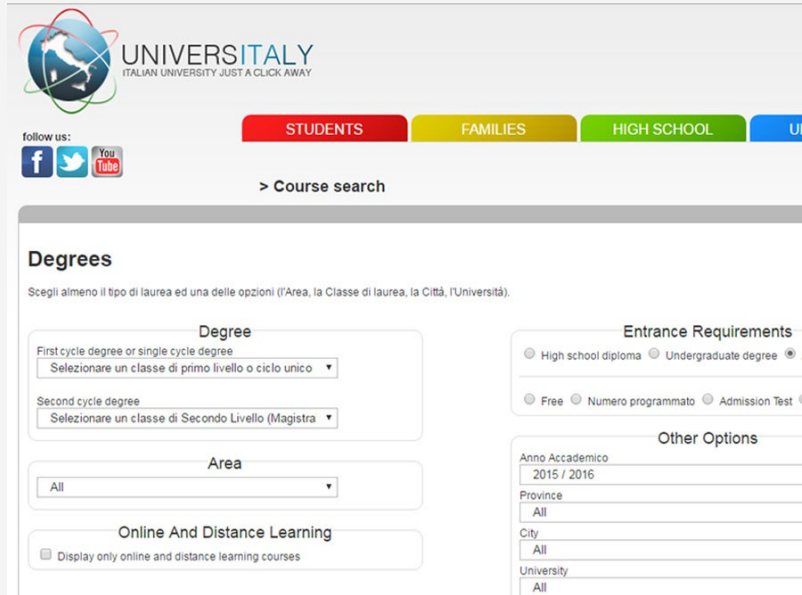

Les formations doctorales sont particulièrement développées à l'Université de Montpellier. Orientées vers les défis de la recherche, elles sont soutenues et dynamisées par les écoles doctorales et le collège doctoral.

Le point fort de l'attractivité des formations dispensées par l'UM est le taux important d'insertion professionnelle de ses diplômés en Master se voient embauché 30 mois après l'obtention du diplôme.

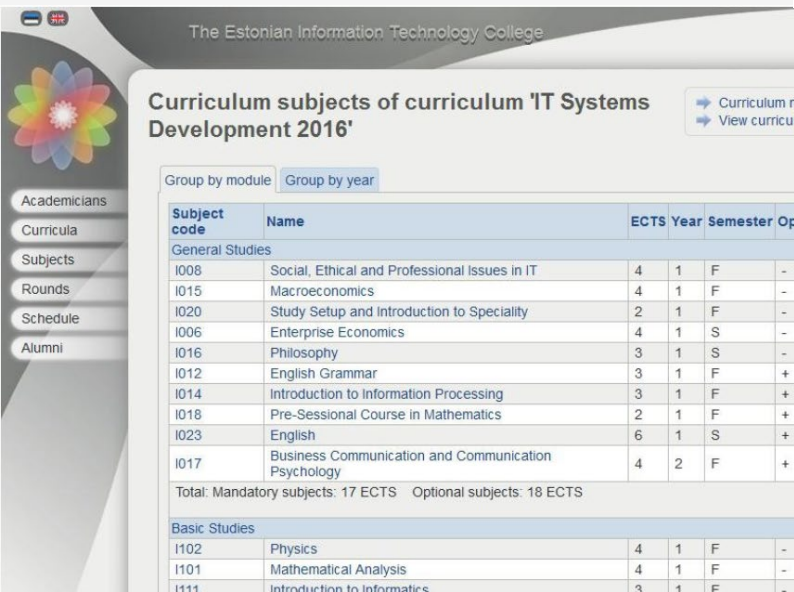

Analysis of existing LO schemes
